

Keokuk ASA currently has openings for our 10U or 12U ASA Teams for the 2018 Spring season. We play in 6-10 tournaments from April to June and practice 2-3 times a week. We also have a fall season in September & October.

If you would like your daughter to be involved in a fun, competitive, and instructional setting, we would like to hear from you!

If you are interested or would like more info, please contact
